**Vantage Deluxe All Event Comfort Seat**

**Model VST700**

Our VST700 All Event Outdoor Seat features a large seating area 15" x 16.5", over 240 square inches. With two PE blocks (strong but lightweight plastic sheets) sandwiched between closed cell foam. This makes the VST700 more rigid, and gives better back support than the competition.

An extra full zippered pocket in the drop down front panel, which will easily carry foul weather gear. Or other necessities. The drop down panel has two large pockets 8.5" x 8" for a camera, binoculars and/or other items. There is a gusseted 13" x 9" pocket on the back of the seat, plus an adjustable shoulder strap.

Made of rich 600 Denier Polyester Water Resistant material, filled with closed cell foam to make a comfortable seat from any hard surface.

The twin zippered sides convert your all purpose seat into a unique carrying bag to hold snacks, blanket, and even beverages.

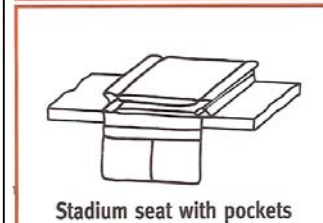

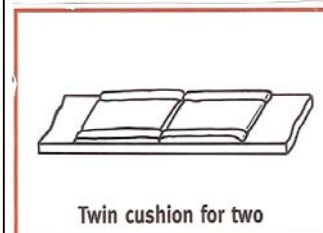

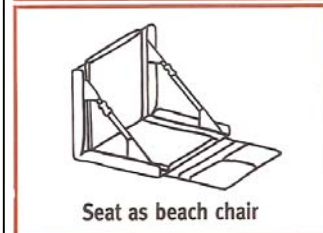

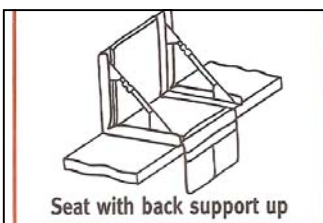

Put all these features together and it spells Comfort, Convenience, and Quality. It can even be Logo'd with your favorite Team, or Advertisement.

Available in stock colors are: Hunter Green, and Royal Blue. Other colors available on special order allow 90 days for delivery.
